**Comments and Recommendations:**  
 Correct errors in capitalization, add necessary punctuation. Add voting positions of World Service Business Conference delegate and Region representative which should have been included in original bylaws (seems to have been an oversight). Change designation from “committee member” to “committee chair” as only committee chairs, not committee members, have voting privileges.

 Remove abbreviation "IG." Remove specifics of meeting day and time as this is no longer the case; stipulating that we meet monthly is sufficient and less likely to need amended in the future.

 Region 2's sample bylaws simply states, "The IG will provide at least [recommended 7] days notice to each member group." Such detailed information as in original bylaws would better be placed in a policies and procedures manual.
